## MEMORANDUM

---

**To:** Michael Kunst, City Manager  
**From:** Kelvin Knauf, Director of Planning and Community Development  
**Subject:** Consider and possible action on an ordinance amending the Orange Code of Ordinances Chapter 7 “Offenses & Nuisances” concerning camping on public property  
**Date:** October 16, 2025

---

Attached is a proposed ordinance that would amend the Code of Ordinances Chapter 7 concerning camping on public property<sup>1</sup>. The proposed ordinance revises the current ordinance by:

- Eliminating the phrase “doing any digging or earth breaking” from the camping definition since new construction or utility installation on property often includes digging or earth breaking and makes the definition of camping the same as the definition for a proposed ordinance regulating camping on private property;
- Providing a definition for governmental entity;
- Revising the definition for public property as property owned by a governmental entity;
- Providing a definition for Transitory Shelter to include tents, tarpaulins, lean-to, sleeping bags, blankets, clothing, cardboard, newspapers or other items not intended to be permanent structures;

Violations of the ordinance would be subject to a fine in an amount not to exceed the maximum amount allowed by the Code of Ordinances.

These amendments provide clarity for enforcement and align the ordinance with similar proposed regulations governing camping on private property.
