

## City of Orange, Texas Statement of Candidate

I, the undersigned, hereby certify that I have received and examined all applicable signs of the Sign Regulation Code relating to the placement of political signs in the City of Orange, Texas. All provisions of the Sign Regulation Code relating to political signs will be complied with by me and my campaign workers.

I also understand that I, being the candidate for political office or president of the committee supporting or opposing a ballot measure, shall be deemed responsible for the posting of political signs. I understand that I may make another person responsible by following the applicable provisions of the Sign Regulation Code relating to political signs. I further understand that I shall be liable to pay any fees or costs of removal and storage of illegal signs as set out in the Sign Regulation Code.

Furthermore, I, the candidate or president of the committee sponsoring an issue, guarantee the removal of all signs erected on behalf of my candidacy or the issue being sponsored by my committee within the time limit established by the Sign Regulation Code. Though I understand that the Sign Regulation Code shall not be interpreted to make me liable for any signs posted by persons unknown to me, I shall make a good faith effort to remove all signs supporting my candidacy or my issue, whether placed by my organization or not, within the time limit established by the Sign Regulation Code.
